

# DESIGNA Ceramic Tiles!

## the italian connection

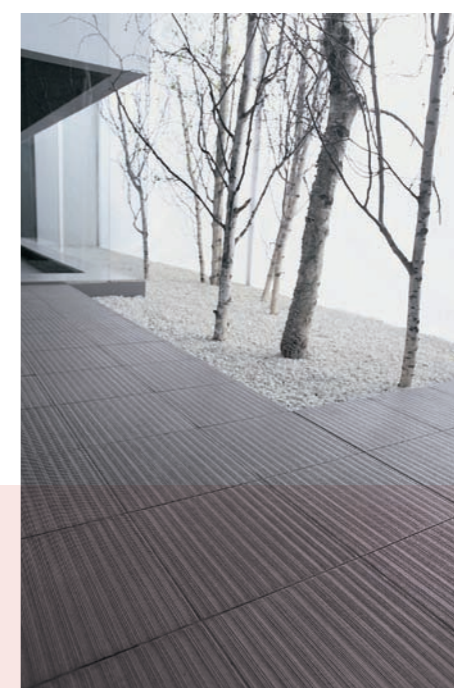

DESIGNA Ceramic Tiles offers you a chance to enter into a world of style and elegance where premium-quality Italian porcelain and ceramic tiles, together with friendly and experienced advice, will make the difference between just "ordinary" and the "extraordinary"!

The Italian tile industry is justly renowned throughout the world for its flair in design, as well as for the absolute quality of its products and its innovative use of the latest manufacturing technologies. Each year DESIGNA'S buyers personally select the very best from Italy's finest manufacturers. DESIGNA maintains good stocks and a broad selection of beautiful tiles suitable for interior and exterior applications.

DESIGNA's focus is on contemporary and timeless tiles in porcelain and ceramics for floors, walls and general decor. The company has developed exclusive relationships with some of Italy's finest manufacturers, which means that they are able to supply the very best that Italy has to offer, and bring it direct to their discerning customers in New Zealand.

DESIGNA's friendly staff include qualified and experienced designers who are happy to assist to clarify your own design ideas, colours and layout, and provide other advice that can help take the stress out of tile selection for your home or business.

The exclusive range of DESIGNA tiles is available from DESIGNA showrooms in Ellerslie, Takapuna, Christchurch, Queenstown, Wanaka and Blenheim and from other selected stockists around New Zealand. Refer to the company's web site for details.
